

## WYNARA VALENTINO

Wynara Stud is very sad at the passing of *Wynara Valentino* (*Vale Park Spotlight* x *Fairlight Acres Quail*). On the 4th March 2010 during eye surgery, *Jimmy* suffered a heart attack and could not be revived. *Valentino* will be sadly missed as he was one of the first Wynara foals to be born on our stud. He won countless garlands and rugs and was the National Two Year Old RPSB of the Year winner 2004 amongst many other wins including Multi Royal, Champions, and Supreme of All Breeds under interstate and overseas judges. He was also registered Part Welsh and Saddle Pony and never came home without a broad sash. He was a true showman and loved being pampered for the show ring. He had a charisma that turned heads wherever he went. *Valentino* was a dream to handle, in every way a gentleman. He stamped his progeny with his beautiful temperament and good looks and was happy to run with his mares and foals. *Valentino* sired 33 foals to date. *Wynara Lyric*, the beautiful bay galloway gelding by *Valentino*, has done very well winning the child's galloway class at Canberra Royal two years in a row and placed highly in all his classes at the Royals. Other progeny *Wynara Primadonna*, *Charisma*, *Blue Denim* and *Melody* are all Supreme in hand winners. Champions by *Valentino* include *Summerland of Class*, *Wynara Rosette*, *Moonwalk*, *Top Secret* and *Wynara Sweetheart* newcomer winner. Most of his stock are only just starting under saddle and we hope will make us proud in the years to come. His son *Wynara Idol* will be making his way to New Zealand this winter to be campaigned as a Park Hack.

We have retained three of his fillies *Wynara Lets Dance*, *Primadonna* and *Love Potion* and his son *Wynara Charisma*. We have been blessed to have owned and bred such a beautiful pony.  
*Lia Blacket* and *Dani Jolly-Blacket*
