

Resume: Robert Anthony Cockram (NPS Dip)

I joined the Victorian Committee as your Chair in 2015. I also have done your finances for the last four years.

As your Chair for the last four seasons we have moved forward with five / six shows per season with expansion of children's classes and clinics for education for all, led and ridden.

If elected I wish to carry you all forward in these hard times and enjoy what we have in this beautiful breed and great society.
